1 in the UAE for cable trays

Overview

Cable Tray Manufacturers in Dubai, Abu Dhabi, Our cable tray systems are engineered for modern infrastructure, ensuring safe, organized, and efficient cabl.

Key Takeaways

Leading cable tray manufacturers in the UAE include Unigroup, Metar, BonnGulf, West Port, and Emerald Steel Industries, offering high-quality, locally produced solutions for industrial and commercial projects. Key Manufacturers and Suppliers1. Unigroup Unigroup manufactures a wide range of cable trays, trunking, and channel systems in the UAE, designed for commercial, industrial, and utility applications.

Their products include perforated trays, ladder-type trays, wire mesh trays, and GRP cable management systems. They emphasize corrosion and fire resistance, ease of installation, and compliance with international standards, making them suitable for diverse load and installation conditions across the UAE. 2.

Metar Based in Dubai, Metar specializes in steel cable trays for commercial, industrial, and infrastructure projects. They offer mild steel, pre-galvanized, hot dip galvanized (HDG), and powder-coated finishes, with custom sizes and load ratings. Metar supports large-scale projects with bulk production, technical documentation, and fast delivery across Dubai, Abu Dhabi, Sharjah, and other Emirates.

Bonn

Gulf Bonn

Gulf provides industrial-grade cable trays, ladders, trunking, perforated trays, and hot-dip galvanized options. They adhere to ISO 9001: 2008 standards, ensuring tensile strength, dimensional accuracy, and durability. Their products are suitable for light, medium, and heavy loads, and they offer flexible solutions for complex industrial and construction projects.

4. West Port West Port is recognized for premium cable management systems in the UAE, including perforated, ladder, and solid bottom cable trays. They also supply accessories like bends, reducers, elbows, covers, and couplers.

Their systems are designed for high load capacity, durability, and compliance with regulations, making them ideal for data centers, infrastructure, and oil & gas projects. 5.

Emerald Steel Industries LL

C Located in Ajman, Emerald Steel Industries is a trusted manufacturer and supplier of cable trays, ladder systems, trunking, strut supports, and accessories. They provide hot dip galvanized trays in standard 3-meter lengths and offer custom design support with AutoCAD and PDMS drawings. Their products are widely used in oil & gas, industrial, and commercial projects across the UAE and Middle East.

Summary

For sourcing cable trays in the UAE, these manufacturers provide locally produced, high-quality solutions with options for steel, galvanized, powder-coated, and GRP materials, suitable for indoor, outdoor, and corrosive environments. They also offer custom sizes, accessories, and technical support, ensuring compliance with international standards and project-specific requirements. Choosing among these suppliers depends on project scale, material preference, and delivery needs.
