Direct Sales of Tray Cable Trays in Malaysia

Overview

Cable Tray Malaysia | Industrial Cable Management Leading supplier of durable cable trays in Malaysia. We provide robust solutions for contractors in Petal.

Key Takeaways

Malaysia offers several reputable manufacturers for direct purchase of high-quality cable trays, including Array Metal, SAN Engineering, Megapro Industries, NK Synergy, and U-LI Group. Key Malaysian Cable Tray Manufacturers1. Array Metal Array Metal is a leading cable tray manufacturer based in Shah Alam, Selangor, Malaysia.

They offer a wide range of cable support systems, including cable trays, ladders, trunking, and wire trays. Their products are available at competitive prices and are distributed internationally, ensuring timely delivery and reliable support for industrial and commercial projects. 2.

SAN Engineering SA

N Engineering specializes in hot-dip galvanized (HDG) cable trays, corrosion-resistant steel, stainless steel, and aluminum alloy trays. They provide various finishes such as zinc, PVC, and epoxy, suitable for both indoor and outdoor applications. Their cable trays comply with local and international standards, including NEMA VE-1 and VE-2, and are designed for efficient cable routing and maintenance.

3. Megapro Industries Sdn Bhd Megapro offers epoxy-coated mild steel cable trays, trunking systems, and accessories. Their factory-direct approach ensures customized solutions, timely delivery, and high durability.

Megapro focuses on industrial and commercial sectors, providing robust cable management systems for factories, data centers, and office buildings. 4.

NK Synergy N

K Synergy provides a versatile selection of cable trays, including perforated, ladder, wire mesh, and FRP trays. Materials include mild steel, stainless steel, and aluminum, with pre-galvanized, hot-dip galvanized, or powder-coated finishes. Their products are ideal for power plants, data centers, and commercial buildings, offering durability, airflow, and adaptability.

5. U-LI Group U-LI Group has been manufacturing cable support systems since 1978, operating five manufacturing sites in Malaysia. They produce perforated cable trays, cable ladders, trunking, wire baskets, and floor trunking.

Their products comply with international standards and are designed for medium to heavy-duty installations, offering flexibility in cabling depth, load capacity, and installation configurations.

Considerations for Direct Purchase

Material and Finish: Choose based on corrosion resistance, load requirements, and environmental conditions (e.g., mild steel, stainless steel, aluminum, epoxy, HDG, PVC). Customization: Many manufacturers offer tailored solutions to meet specific project requirements. Compliance: Ensure trays meet local and international standards for safety and performance.

Delivery and Support: Factory-direct suppliers often provide technical support, installation guidance, and timely delivery. For direct sales inquiries, it is recommended to contact the manufacturers via their websites or sales teams to discuss specifications, pricing, and shipping options. This approach ensures access to factory-direct pricing, customization, and reliable supply for your cable management projects.
