Ireland FRP Cable Tray Manufacturer

Overview

Niedax CMS IrelandNiedax CMS Ireland is part of the Niedax Group, one of the world largest cable tray manufacturers. Buy Wholesale Frp Cable Tray in Irelan.

Key Takeaways

IndiGrate Composites and HDmann offer high-quality FRP cable trays suitable for industrial and commercial applications in Ireland. Key Manufacturers and Suppliers1.

Indi

Grate Composites Indi

Grate Composites designs and manufactures FRP cable trays that are lightweight, corrosion-resistant, and durable, making them ideal for harsh environments such as chemical plants, offshore platforms, and power facilities. Their trays are engineered using premium resins and advanced manufacturing techniques, offering UV resistance, fire retardance, and long-term reliability. Installation is flexible, with options for wall, ceiling, or floor mounting, and the trays can last over 25 years with minimal maintenance.

Dmann Cable Management System H

Dmann provides FCT FRP cable trays specifically for electrical and instrumentation installations. Their trays are made from corrosion-resistant fiber-reinforced plastic and are designed to reduce weight without compromising strength. They offer a variety of resin materials, tray heights, widths, and installation accessories, including ladder and solid-bottom trays.

The design also improves health, safety, and environment (HSE) aspects during installation. 3. Peter Curran Electric (Galway, Ireland) While primarily an electrical wholesaler, Peter Curran Electric supplies a range of cable trays and trunking solutions suitable for homes, offices, and industrial setups.

They provide durable, high-quality materials and offer guidance on selecting the right tray for load capacity and installation needs.

Considerations for Choosing FRP Cable Trays

Corrosion Resistance: FRP trays are ideal for environments exposed to chemicals, moisture, or saltwater. Load Capacity: Ensure the tray supports the weight of cables and accessories. Fire Retardance: Look for UL-94 or ASTM E84 certifications for fire safety.

Installation Flexibility: Check compatibility with bends, tees, crosses, and mounting options. Sustainability: FRP trays are recyclable and energy-efficient to manufacture. For projects in Ireland, IndiGrate Composites and HDmann are the most specialized FRP cable tray manufacturers, while Peter Curran Electric can provide local supply and support for installation and selection.
