Zamet SP

A Zamet is a major Italian manufacturer of trunking and cable tray systems for both civil and industrial environments. They provide fully customizable solutions, including ladder trays, wire mesh trays, and solid-bottom trays, designed for high load capacity and corrosion resistance. FEMI-CZ FEMI-CZ specializes in high-performance metal cable trunking, producing both standard and custom solutions for large-scale industrial installations and civil projects.

They focus on innovation, safety, and long-term durability, offering GRP and metal options. Key Considerations When Choosing a ManufacturerMaterial Quality: Look for stainless steel, galvanized steel, or corrosion-resistant materials. Customization: Ensure the manufacturer can tailor trays to project-specific dimensions and load requirements.

Certifications: ISO, CE, UL, and NEMA certifications indicate compliance with international safety and quality standards. Industry Expertise: Select manufacturers with experience in your sector, whether industrial, commercial, or infrastructure. Customer Support: Reliable after-sales service is crucial for installation and maintenance.

Italian cable tray manufacturers are globally respected for combining traditional craftsmanship with modern technology, offering durable, modular, and eco-friendly solutions suitable for a wide range of applications.
