A well-known fiber optic cable factory in Ethiopia

Overview

BMET Cables is a leading manufacturer of high-quality electrical, telecom, and fiber optic cables in Ethiopia.

Key Takeaways

Ethiopia has several factories producing fiber optic cables, notably BMET Energy Telecom Industry and Trade PLC and El Sewedy Cables Ethiopia Plc, both located in Addis Ababa. Key ManufacturersBMET Energy Telecom Industry and Trade PLC is one of the largest cable manufacturing investments in Ethiopia. The company produces a wide range of electrical and telecom cables, including fiber optic cables, using modern production lines and global manufacturing standards.

Their facilities are designed to deliver high-performance cables suitable for various industrial and communication applications. El Sewedy Cables Ethiopia Plc, an affiliate of the international Elsewedy Group, manufactures single and multiple core electric power cables, telecom and data cables, and fiber optic cables. Their operations are based in Addis Ababa, near the Addissinia Hotel, providing easy access to major transport and business hubs.

The company adheres to international quality standards and is ISO 9001: 2008 certified.

Other Fiber-

Related Manufacturers

While not all specialize exclusively in fiber optic cables, several Ethiopian companies produce fiber and fiber products that may include components for fiber optic applications. These include: Ethiopian Fiber Products FactoryFiber Tech Fiber GlassNational Fiber Glass PLCTechno Fiber Glass & Waterproofing PLC These companies are primarily involved in fiber materials and related products, which can support the fiber optic industry.

Locations

Most of the major fiber optic cable factories are concentrated in Addis Ababa, Ethiopia's capital and industrial hub. This centralization facilitates access to infrastructure, skilled labor, and logistics for both domestic distribution and export. SummaryEthiopia's fiber optic cable manufacturing sector is anchored by BMET Energy Telecom Industry and Trade PLC and El Sewedy Cables Ethiopia Plc, both in Addis Ababa.

Additional fiber-related factories provide materials and components that support the industry. These facilities collectively enable Ethiopia to produce a range of fiber optic cables for telecom, data, and industrial applications.
