Brands of heat shrink tubing for optical fiber

Overview

Chapter 2, to profile the top manufacturers of Heat Shrink Tubing For Optical Fiber, with price, sales quantity, revenue, and global market share of Heat Shrink Tubing For Optical Fiber from 2020 to 2025.

Key Takeaways

Popular brands for optical fiber heat shrink tubing include KEHONG, LongXing, Bonelinks, WKK, and Hongshang, offering specialized tubing for fiber optic splicing and protection. Key Brands and ManufacturersKEHONG Enterprises: Offers cross-linked clear heat shrinkable tubing with a fusion liner, stainless steel reinforcement, and PE material rated for 600V. Their tubing is designed to protect fiber optical splices, prevent fiber damage during installation, and provide reliable sealing at branch-off joints.

Bonelinks: Provides fiber optic heat shrink tubes made from cross-linked polyolefin and hot fusion materials with stainless steel rods. These tubes ensure mechanical strength at fusion joints, maintain optical transmission, and offer moisture resistance. They are available for single fiber and ribbon fiber, with customizable colors and designs.

Long

Xing (LX Telecom): Supplies optical fiber heat shrink tubes consisting of a reinforced rod, hot fusion tubing, and cross-linked polyolefin. Their products maintain optical transmission, provide safe protection during splicing, and are suitable for diverse environmental conditions. Custom designs are available for specific fiber types.

WK

K / Hongshang Brand: Offers a wide range of heat shrink tubing, including fiber optic splice protectors and molded parts. Their products include thin-wall, medium-wall, and heavy-wall tubing, designed to protect and seal fiber optic connections while maintaining optical performance.

WK

K also provides customization options and private labeling.

Features to Consider

Material: Cross-linked polyolefin or PE for durability and heat resistance.
Reinforcement: Stainless steel rods or SS304 members for mechanical strength.
Fusion Liner: Hot melt liners to seal and protect fiber splices.

Customization: Options for single fiber, ribbon fiber, color coding, and pre-cut lengths.
Environmental Protection: Moisture resistance and sealing structures for varying temperature and humidity conditions. These brands are widely used in telecommunications and fiber optic installations to ensure reliable, durable, and safe protection of optical fibers during splicing and deployment.

Global Heat Shrink Tubing For Optical Fiber Market 2025 by ...

Chapter 2, to profile the top manufacturers of Heat Shrink Tubing For Optical Fiber, with price, sales quantity, revenue, and global market share of Heat Shrink Tubing For Optical Fiber from 2020 to 2025.

Global Heat Shrink Tubing For Optical Fiber Market Outlook, In-Depth ...

This definitive report equips CEOs, marketing directors, and investors with a 360° view of the global Heat Shrink Tubing For Optical Fiber market, seamlessly integrating production capacity and sales

Optical Fiber Heat Shrink Tube | Fiber Optic Heat

LongXing optical fiber heat shrink tubes consist of a rod of reinforcing the splice, hot fusion tubing and cross-linked polyolefin. To rebuild the coating of fiber to provide

Fiber Shrink Tube Fiber Splice Tube

Customizable color options for convenient installation and identification. Available with single fiber and ribbon fiber. Customized designs are available upon

Heat Shrink Tubing | Cables, Wires

Shop DigiKey''s large in-stock selection of Heat Shrink Tubing. View inventory, pricing and order now for same day shipping!

51 Heat Shrinkable Tubing Manufacturers in 2026

This section provides an overview for heat shrinkable tubing as well as their applications and principles. Also, please take a look at the list of 51 heat shrinkable tubing manufacturers and their company

KITCO Fiber Optics | Connectivity Delivered

KITCO Fiber Optics has delivered for military, aerospace, and defense sectors. Our projects showcase unmatched expertise in MIL-SPEC connectors, high-quality

Fiber Shrink Tube Fiber Splice Tube

Fiber Heat Shrink Tube, also referred to as Fiber Splice Tubes, Fusion Protection Tube, or Splice Protection Tube, plays a crucial role in modern communication

Alpha Wire

Alpha Wire provides high-quality wire and cable solutions for various industries, ensuring performance and reliability.

40mm Clear PE Heat Shrinkable Tube Fiber Optical

The fiber optic heat shrink tubes is tight and the metal support maintains its strength to prevent the fiber from breaking at the splice. Smooth deburred stainless steel

Amazon : 60mm Clear PE Heat Shrinkable Tubing Fiber Optical Cable

The fiber optic heat shrink tubes is tight and the metal support maintains its strength to prevent the fiber from breaking at the splice. Smooth deburred stainless steel reinforcing member ends decrease the

Heat Shrink Tube, Fiber Splice Heat Shrink Tubes for Sale

Buy Heat Shrink Tubes, Heat-Shrink Splice Protectors at Fiberinthebox. The most competitive fiber optic splicing equipments manufactuer selling online high performance Fiber Splice Heat Shrink Tubes 1

Fiber Optic Cable Protection: Heat Shrink Tubing for Telecom Networks

Heat shrink tubing plays a critical role in safeguarding fiber optic cables within telecom networks, offering durability, environmental protection, and ease of installation. As

Amazon : Fiber Splice Sleeves

© 2026 CJC FIBRE CONSULTANTS - All rights reserved

Premium 1200pcs Fiber Optic Splice Sleeves (2.6mm x 60mm) - Heat Shrink Tubing - 304 Stainless Steel - Enhanced Fusion Splicing Protection - PE Clear Coating, Hot Melt Adhesive - Reliable and

Fiber Optical Heat Shrinkable Tubing

Taiwan Yun Lin is a proficient heat shrink tubing manufacturers; we supply types of heat shrinking tubes/ heat shrinkable tubing such as polyolefin, PVC, thin wall,

Fiber Optic Heat Shrinkable Splice Tube-BROALINK TECHNOLOGY

Fiber Optic Heat Shrinkable Splice Tube Protect Fiber Fusion Points: Clear sleeve makes it easy to detect splice before shrinkage, The fiber optic heat shrink tubes are tight and the metal support

Optic Fiber Heat Shrink Tube

KeHong Enterprises is one of the most professional optic fiber heat shrink tube manufacturers and suppliers. We have our own factory at your service. Be free to get quality optic fiber heat shrink tube

600pcs Fiber Optic Splice Fusion Sleeves, Fiber Heat Shrink Splice ...

About this item □Product Details□Fusion fiber optic cable heat shrinks tubing consists of stainless steel needle, inner fiber tube and outer shrink tube. Length: 60mm, outer diameter: 2.6mm, inner tube
