Good outdoor optical cable prices

Overview

Amazon.com: Outdoor Fiber Optic CableIndustrial-grade outdoor fiber optic cables with armor protection. Multiple configurations for long-distance transmiss.

Key Takeaways

Outdoor fiber optic cables typically range from $0. 50 to $5 per meter depending on type, mode, and specifications.

Price Overview

Singlemode Outdoor Fiber Cables: Prices generally range from $0. 50 to $2 per meter for standard singlemode cables suitable for long-distance transmission and outdoor installation, often with UV and water-resistant jackets (Made-in-China, Mouser). Multimode Outdoor Fiber Cables (OM1, OM2, OM3, OM4): These are usually priced between $1 and $3 per meter, depending on core size, jacket type, and connector configuration (Fiber Cables Direct).

Armored or Ruggedized Cables: Industrial-grade armored outdoor cables designed for harsh environments can cost $3 to $5 per meter, offering extra protection against mechanical stress and rodents (Amazon, Mouser). Pre-terminated Patch Cables: Duplex or simplex cables with LC, SC, or hybrid connectors are available for $5 to $20 per cable, depending on length and connector type (Fiber Cables Direct).

Supplier Options

Amazon: Offers a variety of outdoor fiber optic cables with fast shipping and customer reviews for quality assessment.eBay: Provides competitive pricing and deals, including bulk and used options.

Made-in-

China: Lists wholesale outdoor optical cables with inquiry-based pricing, suitable for large-scale projects. Mouser Electronics: Offers detailed datasheets, inventory, and pricing for industrial and commercial outdoor fiber optic cables. Fiber Cables Direct: Specializes in indoor/outdoor patch cables with multiple modes and connector types.

Tips for Choosing

Determine the mode: Singlemode for long-distance, multimode for shorter distances. Check environmental ratings: UV, water, and temperature resistance are critical for outdoor use. Consider connectors: LC, SC, or hybrid connectors affect compatibility and cost.

Bulk purchasing: Wholesale suppliers like Made-in-China often provide lower per-meter prices for large orders. By comparing these options, you can select outdoor optical cables that balance performance, durability, and cost for your specific project needs.
