Intelligent Optical Cable Traction Machine Manufacturer

Overview

These various models are designed to match different laying environments and ensure efficient and safe traction of optical cables.

Key Takeaways

Top manufacturers of intelligent optical cable traction machines include Zhengzhou Zhishi Changyun Technology Co., Ltd., Bazhou Chaheji Bai'antong Hardware Tools, and Shandong Songjia Machinery Co., Ltd. Leading Manufacturers1. Zhengzhou Zhishi Changyun Technology Co., Ltd.

Located in Zhengzhou Electronic and Electrical Industry Park, this company specializes in optical cable tractors, cable conveyors, and related equipment. They have a modern 6,000 m² factory, over 150 employees, and a technical R&D team of more than 20 people. The company holds nearly 100 patents and is recognized as a high-tech enterprise.

Their products are designed with quality management aligned to ISO9001 standards, ensuring durability and efficiency in cable traction operations. 2. Bazhou Chaheji Bai'antong Hardware Tools Business Department Based in Bazhou City, Langfang, this supplier focuses on fiber optic cable traction machines and other hardware tools.

They are registered with the local Market Supervision Administration and provide a range of cable traction solutions suitable for various construction and installation projects. 3. Shandong Songjia Machinery Co., Ltd.

© 2026 CJC FIBRE CONSULTANTS - All rights reserved

Located in Jining City, Shandong Province, Songjia Machinery manufactures construction and mining machinery, including fiber optic cable traction machines. Their offerings include specialized equipment for environmental protection and mechanical-electrical applications, making them a versatile supplier for industrial cable-laying needs. 4.

Other Notable Manufacturers Additional reputable suppliers include Kangxianzhuang Huaxiang Power Equipment Factory, Bazhou Li'an Line Tool Network Sales Department, Bazhou Dongchi Electric Power Equipment Co., Ltd., Zhuangda Electric Equipment Factory, Nanmeng Hongtao Electric Machinery Factory, Bazhou Dongheng Electric Power Machinery Co., Ltd., and Zhengzhou Huaiyuan Intelligent Technology Co., Ltd., all recognized for their product quality, certifications, and industry performance.

Product Features and Applications

Intelligent optical cable traction machines are designed for long-distance cable laying, including overhead, buried, duct, and tunnel installations. Key features include: Electric motor-driven traction with gearbox and transmission device for smooth cable movementAdjustable jaws for cable retraction and releaseHigh efficiency, reducing manual labor by 2–5 peopleCompatibility with various cable types, including 4–288 core optical cables and steel-stranded wiresExport-ready packaging and worldwide shipping options These machines are suitable for fiber optic network construction, power cable installation, and large-scale infrastructure projects, offering both reliability and cost efficiency.

For sourcing, it is recommended to contact suppliers directly to discuss specifications, automation features, and international delivery options.

Article Content

Optical cable traction machine,Optical Cable Pulling Machine,Fiber ...

These various models are designed to match different laying environments and ensure efficient and safe traction of optical cables.

Changyun Technology Changyun No.3 Optical Cable

Optical cable traction machines are widely used in optical fiber communication, power, and municipal engineering for cable laying and construction. They can lay

Chinese Cable conveyor & optical cable puller supplier | Henan ...

The company primarily focuses on the research, development, and production of a series of products including optical cable pulling machines, cable conveying machines, winches, cable blowing

© 2026 CJC FIBRE CONSULTANTS - All rights reserved

Fiber Optic Cable Traction Machine Fiber Optic Cable Transmission ...

After years of research and development, improvement, testing, and extensive user verification, the fiber optic cable traction machine adopts a built-in

Automatic Cable Transmission Optical Cable Traction Machine

The track is adopt of high quality rubber with high-strength and wear-resistant. it is durable and make the cable force uniform. Equipped with adjustable rollers, make construction more convenient.

Optical cable pulling machine

Buy Optical Cable Pulling Machine China Direct From Optical Cable Pulling Machine Factories at Alibaba . Help Global Buyers Source China Easily.

Apex 9 Optical Cable Tractor

The Apex 9 is a diesel-powered optical cable tractor featuring a vibrant green body with reinforced crawler transmission. Designed for demanding field operations, it delivers 4200N pulling force with

Traction Machine Embedded Fiber Optic Pulling Equipment Optical

The company integrates R&D, production and sales of electric power engineering machinery and has an engineering machinery R&D laboratory. The company has been engaged in overseas sales since its

Fiber optic cable traction machine from China Manufacturers

The company''s main commitments include the research, development, and production of products such as optical cable tractors, cable conveyors, grinders, automatic take-up machines, nano light wave

Suntech Power Optical Cable Traction Equipment

The machine is easy to operate, and the four operating stops are (push, pull, idle, and slow) to select the desired position. Before changing gear, you must adjust

Economical Cable Pulling Machine

Online shopping for Economical Cable Pulling Machine Overhead/Buried/Duct Optic Cable Tractor Fiber Traction Machine. Find out what''s hot and new from our

Cable Tractors Fiber Optic Cable Duct Rod Pusher

Cable Tractors Fiber Optic Cable Duct Rod Pusher Cable Pulling Traction Machine, Find Details and Price about Cable Duct Rodder and Underground Cable Pulling

Optical Cable Puller Fiber Optic Cable Tractor Traction

© 2026 CJC FIBRE CONSULTANTS - All rights reserved

Fiber Optic Puller used for the construction of fiber optic cable pipelines. It can adapt to the propulsion and recovery of 5-45 optical cables or cable cables. The speed

Fiber Optic Cable Pulling Traction Machine

Fiber Optic Cable Pulling Traction Machine Fiber Optic Cable Pulling Traction Machine. It''s very common for municipalities and telecom enterprises to carry out

Factory Price Optical Fiber Cable Pulling Traction

At a glance 7.5 KW Power: The 7.5 KW power ensures efficient and reliable operation for heavy-duty cable laying tasks, reducing the time and effort required.

Manufacture Optical Cable Puller Fiber Optic Cable Tractor Traction ...

Crawler Type Cable Tractors Fiber Optic Cable Duct Rod Pusher Cable Pulling Traction Machine Municipal enterprises, telecommunications and other enterprises often have to carry out

2026 Top 10 Fiber Optic Cable Traction Machine Manufacturers in China

The top 10 Fiber Optic Cable Traction Machine manufacturers in China for 2026 are: Chaheji Bai''antong Hardware Tools Business Department, Bazhou City, Shandong Songjia Machinery Co., Ltd,

Power Telecom Construction Cable Pusher Intelligent Remote Control ...

Feature highlights: The Power Telecom Construction Cable Pusher is an intelligent remote control traction machine designed for efficient fiber optic cable conveyance. With a rated conveying force of
