

Ireland 304 Cable Tray Manufacturer

Overview

Niedax CMS Ireland Niedax CMS Ireland is part of the Niedax Group, one of the world largest cable tray manufacturers. Cable Trays, Cable Management Trays |.

Key Takeaways

Top manufacturers of 304 stainless steel cable trays in Ireland include Jeetmull Jaichandlall (P) Ltd., Excel Electric, and the Niedax Group.

Key Manufacturers and Suppliers

Jeetmull Jaichandlall (P) Ltd. is a leading manufacturer of stainless steel cable trays in Ireland, offering high-quality 304 stainless steel products. They provide a wide range of sizes, shapes, and finishes, tailored to industry-specific requirements. Their on-site manufacturing facility uses modern equipment and advanced technology to ensure durable and precise cable tray systems, making them a trusted choice for industrial and commercial projects in Ireland.

Excel Electric specializes in the distribution and in-house manufacture of cable support systems for Ireland and the UK. They offer a variety of cable tray systems, including stainless steel options, and provide technical support, planning, and installation services to meet complex project requirements. Niedax Group is an international provider with a strong presence in Ireland.

They offer versatile cable tray systems, including steel, aluminum, PVC, and glass fiber reinforced plastic (GRP).

Their RLV

C system is particularly popular, and they provide customized dimensions, fittings, and accessories to suit specific project needs. Niedax also offers consulting, planning, and installation support for large-scale industrial and infrastructure projects. Considerations for Choosing a Manufacturer Material Quality: Ensure the manufacturer provides 304 stainless steel, which offers excellent corrosion resistance and durability.

Customization: Look for suppliers that can provide tailored dimensions and fittings to match your project specifications. Technical Support: Manufacturers like Niedax and Excel Electric offer planning, installation guidance, and project management services. Local Availability: Choosing a supplier with operations in Ireland ensures faster delivery and easier support.

These manufacturers provide reliable 304 stainless steel cable trays suitable for industrial, commercial, and infrastructure applications, with options for customization and professional support.
