Jordan Low Voltage Cable Tray Price Quotation

Overview

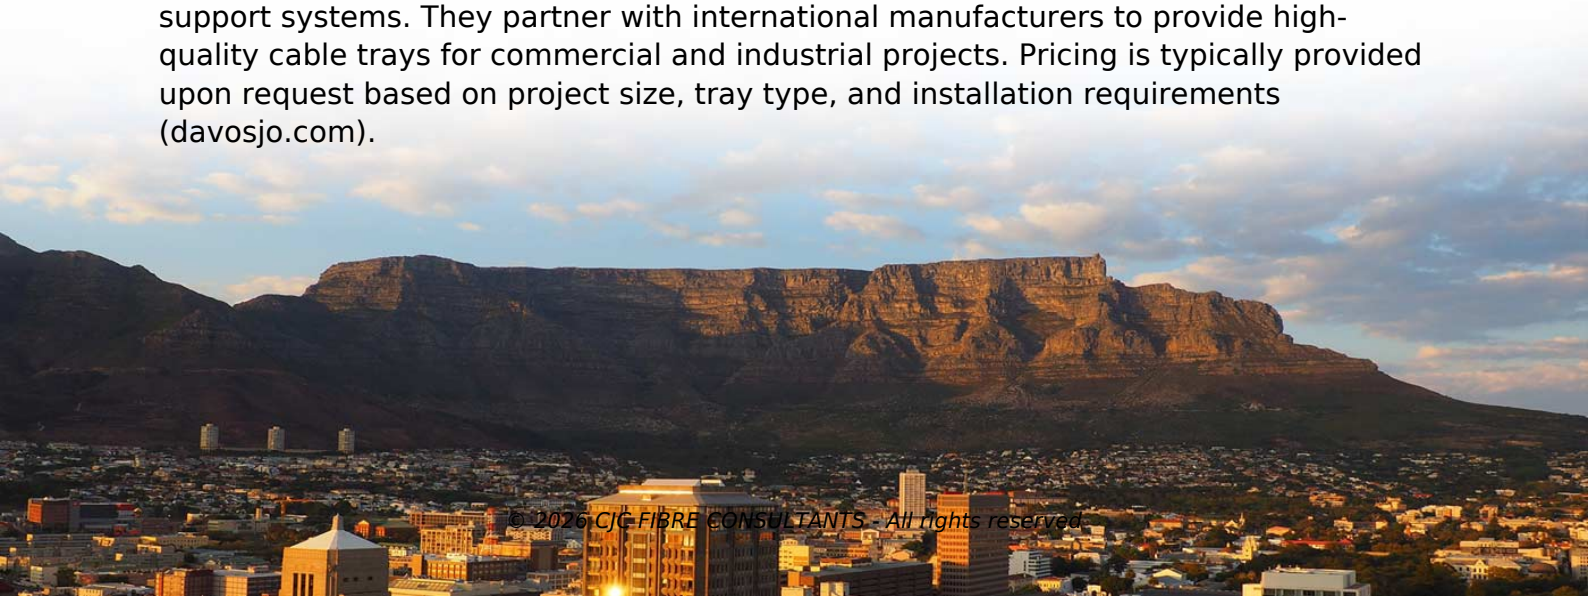

Cable Tray Price Quotation 2025 | PDF Revised Cable Tray List 16-07-2025 - Free download as PDF File (.pdf), Text File (.txt) or read online for free. Cabl.

Key Takeaways

Low voltage cable trays in Jordan are available from multiple suppliers, with prices depending on material, size, and finish, typically requiring direct quotation from manufacturers or distributors. Suppliers and OptionsTradeKey Suppliers TradeKey lists a variety of cable trays suitable for low voltage applications, including pre-galvanized steel, powder-coated, PVC, and fiberglass trays. Sizes range from 25mm to 1000mm in width and 25mm to 300mm in height, with thicknesses from 0.

5mm to 2. 5mm. These trays are suitable for telecommunication, automotive, and electrical installations, and suppliers offer OEM/ODM services for custom requirements (TradeKey.com).

Davos for Electrical Systems & Supplies Davos is a local distributor in Jordan offering full cable management solutions, including EuroTray systems, steel conduits, and support systems. They partner with international manufacturers to provide high-quality cable trays for commercial and industrial projects. Pricing is typically provided upon request based on project size, tray type, and installation requirements (davosjo.com).

Jeetmull Jaichandlall This Jordan-based manufacturer produces wire mesh cable trays in various sizes, shapes, and finishes. They emphasize durability, load resistance, and compliance with industry standards, making them suitable for construction, industrial, and data center applications. They provide customized solutions and global shipping, with pricing available through direct inquiry (wiremeshes.com).

Munir Al-

Ali & Sons Offers supply and installation of low voltage cable trays along with complete cable management systems. They provide technical support, project consultation, and installation services, which can affect the overall quotation depending on the scope of work (masc-jo.com).

Pricing Considerations

Material: Steel, pre-galvanized, powder-coated, PVC, or fiberglass affect cost. Size and Load Capacity: Wider or heavier-duty trays cost more. Customization: OEM/ODM or specific project requirements may increase price.

Installation Services: Including labor and technical support can add to the total quotation. How to Obtain a QuotationContact suppliers directly via their websites or email. Provide project specifications: tray type, dimensions, quantity, and installation requirements.

Request formal quotation including delivery and installation costs. Compare multiple suppliers to ensure competitive pricing and quality. For a precise quotation, it is recommended to reach out to TradeKey suppliers, Davos, or Jeetmull Jaichandlall with your project details to receive tailored pricing and availability.
