Kuwait Corrosion-Resistant Cable Tray Manufacturer

Overview

Cable Tray System – Kuwaiti Al Nafe Group for General Trading. Alnafaa Group is a pioneer Kuwait based GRP FRP tray manufacturer in the industry. Besides.

Key Takeaways

Alnafaa Group, Bahman Group, and Brighten Kuwait are leading manufacturers of anti-corrosion cable trays in Kuwait, offering FRP/GRP and other corrosion-resistant solutions.

Alnafaa Group

Alnafaa Group is a pioneer in GRP/FRP cable tray manufacturing in Kuwait, specializing in corrosion-resistant solutions for industrial and infrastructure projects. Their product range includes: Ladder and perforated cable trays made from fire-retardant, glass-reinforced thermoset resins.

FR

P coupler plates, expansion plates, angle plates, and adjustable splice plates. FRP/SS hold-down clamps, cover clamps, trefoil clamps, cable ties, and divider strips. Custom sizes and fittings such as bends, tees, crosses, and reducers.

GR

P covers and cover fittings compatible with water, wastewater, and chemical storage tanks. These trays are UV-resistant, electrically insulating, lightweight, and non-toxic, making them ideal for environments where metallic trays corrode easily.

Bahman Group

Bahman Group operates a large cable tray manufacturing facility in Shuwaikh Industrial Area, producing GI raceways, cable trays, trunking, and ladders for Kuwait and the GCC market. Key features include: Cost-effective and high-quality anti-corrosion cable management solutions. Products approved for government projects, hospitals, and Kuwait University.

Extensive experience spanning over six decades in manufacturing and infrastructure support.

Brighten Kuwait

Brighten Kuwait focuses on FRP/GRP solutions for corrosion resistance, including cable trays and walkways. Their offerings emphasize: Maintenance-free, UV-stabilized FRP structures. Customizable walkways, fencing, and cable trays resistant to harsh weather and chemical exposure.

Use of fiberglass reinforced plastics to prevent rust and reduce lifecycle costs.

Additional Options

Other companies like EBOMAC and Almeer Industries also provide cable trays in Kuwait, including medium and low voltage switchgear integration and high-quality industrial cable management systems.

Summary

For anti-corrosion cable trays in Kuwait, the top manufacturers are: Alnafaa Group – specialized in FRP/GRP trays with extensive fittings and custom solutions. Bahman Group – large-scale GI and corrosion-resistant cable tray production for local and GCC projects. Brighten Kuwait – FRP/GRP trays and walkways with low maintenance and high durability.

These manufacturers provide customizable, fire-retardant, and UV-resistant solutions suitable for industrial, commercial, and infrastructure applications.
