Malaysia Ladder Cable Tray Price Inquiry

Overview

Affordable cable tray prices in Malaysia. Durable and efficient solutions for cable management and protection. Available in various sizes.

Key Takeaways

Ladder cable trays in Malaysia typically range from RM 50 to RM 250 per meter, depending on material, size, and load capacity.

Price Range and Materials

Ladder cable trays are available in galvanized steel, aluminum, stainless steel, and FRP (fiber-reinforced plastic), with prices varying according to material durability and corrosion resistance. Standard galvanized steel trays are generally the most affordable, while stainless steel and FRP trays are more expensive due to higher resistance to corrosion and suitability for harsh environments like offshore, chemical, or marine applications. Galvanized Steel Ladder Trays: RM 50–RM 120 per meterAluminum Ladder Trays: RM 80–RM 150 per meterStainless Steel Ladder Trays: RM 150–RM 250 per meterFRP Ladder Trays: RM 180–RM 250 per meter, ideal for corrosive environments Factors Affecting PriceMaterial Type: Corrosion-resistant materials like stainless steel or FRP cost more than standard galvanized steel.

Tray Size and Load Class: Larger trays or those designed for higher load capacities (as per NEMA VE-1 standards) are more expensive. Finish and Coating: Additional coatings such as PVC or epoxy increase durability and cost. Supplier and Customization: Prices may vary depending on supplier, customization, and delivery options.

Companies like Super Cable Tray Pvt. Ltd., SAN Engineering, and IEP Sdn. Bhd. offer tailored solutions for industrial and commercial projects in Malaysia.

Where to Buy

Super Cable Tray Pvt. Ltd.: Offers galvanized, perforated, and channel-type ladder trays with customization options.

SA

N Engineering: Provides hot-dip galvanized, stainless steel, and aluminum trays with various finishes and load classes.

IE

P Sdn. Bhd.: Specializes in FRP ladder trays for corrosive environments, suitable for offshore, chemical, and marine industries. Online Retailers: Platforms like Lazada Malaysia also list ladder-type cable trays, often at competitive prices for smaller projects.

In summary, the price of ladder cable trays in Malaysia depends on material, size, load capacity, and supplier, with typical costs ranging from RM 50 to RM 250 per meter. For large-scale or specialized projects, contacting suppliers directly for a quotation is recommended to account for customization, shipping, and installation requirements.
