Oman Fiber Optic Cable Factory

Overview

Fiber Cable Division – Oman Fiber OpticOman Fiber Optic's Fiber & Cable Manufacturing Division is dedicated to delivering high quality, reliable fiber opti.

Key Takeaways

Oman Fiber Optic (OFO) is the largest fiber optic cable factory in Oman, located in Muscat. Oman Fiber Optic (OFO) was established in 1995 and began cable production in early 1999, making it one of the oldest and most advanced fiber optic manufacturers in the Sultanate of Oman. The factory is situated in Muscat, the capital, and utilizes state-of-the-art technology to produce high-quality fiber optic cables for a wide range of applications, including long-haul backbone communication links, LAN networks, video transmission, Cable TV, traffic signaling, FTTH solutions, security systems, defense, and specialty applications.

Production and CapabilitiesOFO manufactures world-class fiber cable products and accessories, supporting both domestic and regional telecommunications infrastructure. The factory is equipped to handle large-scale production and has implemented Lean Six Sigma methodologies in collaboration with Petroleum Development Oman and the Ministry of Commerce, Industry & Investment Promotion, enhancing efficiency, reducing waste, and aligning with Oman Vision 2040 goals for industrial competitiveness and economic diversification.

Industry Significance

As a publicly listed company on the Muscat Securities Market, OFO plays a pivotal role in Oman's fiber optic industry, providing solutions for both commercial and government projects. Its products are essential for modern telecommunications, including high-speed internet, data centers, and secure communication networks.

OF

O also participates in international events, showcasing its innovations in fiber optic technology.

Other Fiber Optic Manufacturers

While other companies like Oman Cables Industry (SAOG), National Cable Factory LLC, and GITACS LLC also operate in Oman, OFO is recognized for its largest-scale production and comprehensive fiber optic solutions, making it the leading factory in the country. In summary, Oman Fiber Optic (OFO) stands out as the largest and most technologically advanced fiber optic cable factory in Oman, supporting the nation's telecommunications infrastructure and contributing to industrial growth and innovation.
