Outdoor yellow distribution box

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65–IP68 sealing against dust, rain, and UV. We offer a wide range of street cabinets, as well as indoor and outdoor distribution boxes. What do you need?

By checking the box, you consent to the collection and storage of the data you provide for the purpose of contacting and responding to. These heavy-duty junction boxes provide a high-impact, UL-certified sanctuary for your critical connections. MAX-SHIELD DURABILITY: Built with high-impact ABS and UV-stabilized. Power Tech®'s Temporary Power Distribution Box is used by contractors on jobsites (indoor or outdoor) to provide and distribute power from temporary power poles or jobsite generators. All outlets have circuit breaker overload protection and all. Ensure safe and efficient power distribution with our Yellow Distribution Box (16A 4 Way) 230V.
