Papua New Guinea Hot Aisle Rack-Mounted

Overview

Hot and Cold Aisle Containment Solutions ArdmacGet expert hot and cold aisle containment solutions for your data centres with Ardmac. Our tailored approach.

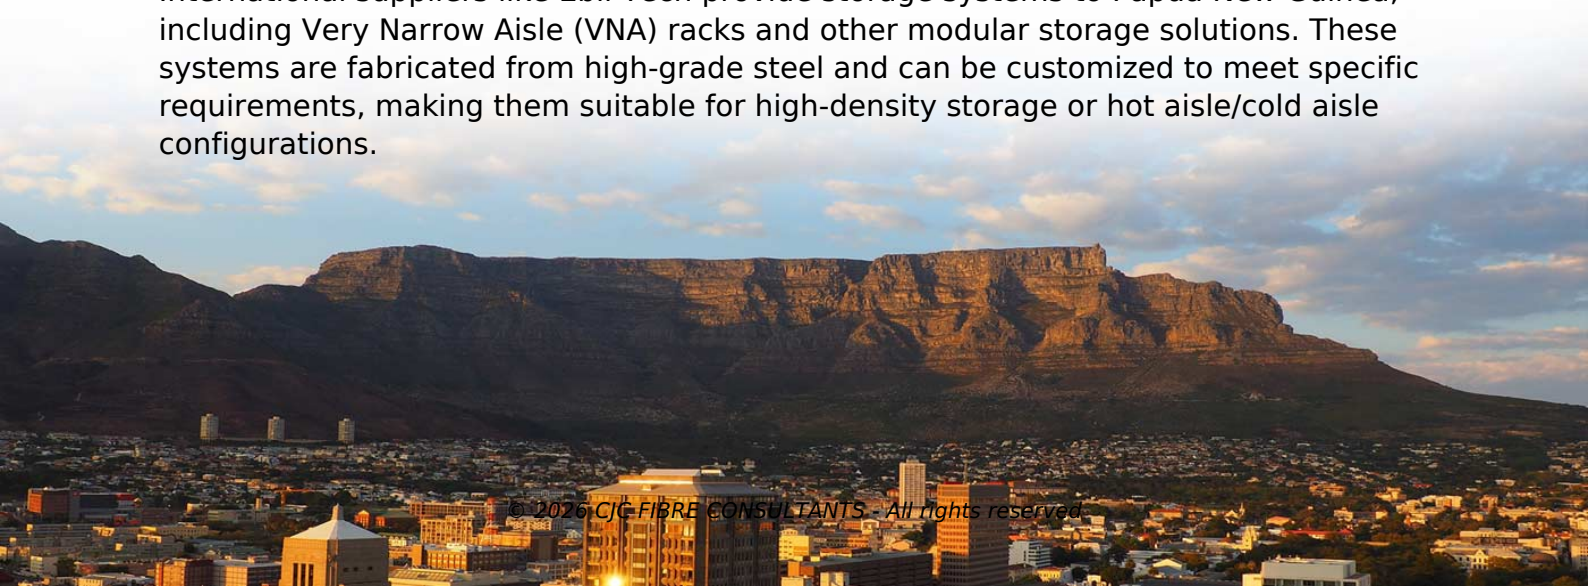

Key Takeaways

Mark's Enterprises and specialized storage equipment suppliers provide hot aisle and very narrow aisle rack solutions in Papua New Guinea. Local Manufacturer: Mark's EnterprisesMark's Enterprises Limited, based in Port Moresby, is a professional manufacturer capable of producing custom racks, display systems, and storage solutions, including configurations suitable for hot aisle containment in data centers. They offer full-service solutions including design, manufacturing, decoration, and installation, with modern machinery and workshops for metal and wood fabrication.

Their production capacity allows for 100 sets per month, with sample availability in 1–7 days and standard delivery within 15 days.

Specialized Storage Equipment Suppliers

International suppliers like Ebil Tech provide storage systems to Papua New Guinea, including Very Narrow Aisle (VNA) racks and other modular storage solutions. These systems are fabricated from high-grade steel and can be customized to meet specific requirements, making them suitable for high-density storage or hot aisle/cold aisle configurations.

Hot Aisle Containment Solutions

For data center applications, hot aisle rack-type systems are available through suppliers like Garetech, which offer Cold Aisle Containment Systems (CACS). These systems separate hot and cold air streams, optimize cooling efficiency, and reduce energy costs. Features include end-of-row sliding doors, ceiling panels, and low-profile ceiling structures to maintain uniform inlet temperatures and prevent hot spots.

Additional Resources

A comprehensive list of manufacturers in Papua New Guinea, including those in Morobe Province and the National Capital District, can be accessed for further options. This includes contact details, operational hours, and product offerings for over 100 verified manufacturers.

Summary

For hot aisle rack-type systems in Papua New Guinea, you can consider: Mark's Enterprises for custom racks and full-service solutions. Ebil Tech for modular storage and VNA racks. Garetech for specialized hot/cold aisle containment systems.

These suppliers provide both customization and installation support, ensuring compatibility with data center or high-density storage requirements.
