Price list for galvanized cable trays in factories

Overview

Cable Tray Price List The cable tray price list are for hot dip galvanized ladder type cable tray. The price is based on standard length of the cable tray.

Key Takeaways

Galvanized cable trays typically range from $20 to $150 per standard 2. 4-meter section, depending on type, size, and manufacturer. Typical PricingHot-dip galvanized ladder cable trays: Standard 2.

4-meter lengths are commonly priced between $25 and $80 per tray, with fittings (elbows, tees, reducers) sold per piece, usually $5–$20 each depending on size and complexity. Perforated or mesh galvanized trays: Prices vary more widely, generally $30–$150 per 2. 4-meter section, reflecting differences in material thickness, load capacity, and corrosion resistance.

Premium brands: Well-known manufacturers like Legrand, ABB, and Atkore may charge higher prices due to quality assurance, certifications, and durability, often at the upper end of the range.

Factors Affecting Price

Material and Coating: Galvanized steel provides corrosion resistance, which increases cost compared to plain steel trays. Tray Type: Ladder trays are generally less expensive than perforated or mesh trays due to simpler construction. Size and Load Capacity: Wider trays or those designed to support heavier cable loads cost more.

Regional Market: Prices vary by region; Asia-Pacific markets (China, India) often offer lower prices due to large-scale manufacturing, while North America and Europe may have higher costs due to labor and material expenses. Accessories and Fittings: Elbows, tees, reducers, and mounting hardware add to the total cost of installation.

Market Overview

The global galvanized cable tray market was valued at $2. 615 billion in 2025 and is projected to grow at a 7% CAGR through 2033, driven by industrial automation, IT infrastructure, and energy projects. Ladder and perforated trays dominate the market, and demand is increasing for durable, corrosion-resistant solutions suitable for both indoor and outdoor applications.

Summary

For budgeting purposes, expect standard 2. 4-meter galvanized ladder trays around $25–$80, perforated or mesh trays $30–$150, with fittings adding extra cost. Prices vary by manufacturer, region, and tray specifications, and premium brands command higher prices due to quality and certifications.
