

Price of Stainless Steel Cable Trays in Kenya

Overview

We offer competitive Cable trays prices in Kenya to suit various industrial and commercial applications.

Key Takeaways

Stainless steel cable trays in Kenya typically range from KES 3,500 to KES 12,000 per 2.44-meter tray, depending on type, thickness, and supplier.

Price Overview

The cost of stainless steel cable trays in Kenya varies based on tray type, thickness, width, and customization: Standard Length: Most trays are 2.44 meters (8 feet) long. Thickness: Common thicknesses range from 0.6mm to 3.0mm, with thicker trays costing more. Tray Types: Ladder trays, perforated trays, solid bottom trays, and wire mesh trays are available, with ladder and solid bottom trays generally priced higher due to material and load-bearing capacity.

Estimated Cost Range: Stainless steel trays can cost approximately KES 3,500 to KES 12,000 per tray, depending on the specifications and supplier.

Suppliers and Availability

Several suppliers in Kenya offer stainless steel cable trays: TDK Tech Store: Offers custom-made trays and delivery across Kenya and East Africa. Rapidtech Networks Limited: Provides ladder, perforated, solid bottom, and wire mesh trays with flexible payment options and same-day delivery in Nairobi. Duff Engineering Ltd: Supplies premium cable trays for industrial and commercial applications, including custom sizes.

PM

Z Limited and Shopit: Offer competitive pricing and a variety of cable tray types suitable for commercial and industrial installations.

Additional Considerations

Customization: Many suppliers can fabricate trays to specific widths, heights, and thicknesses to suit project requirements. Installation Services: Some suppliers provide professional installation services, which may affect the total project cost. Maintenance: Stainless steel trays are low-maintenance and resistant to corrosion, making them suitable for both indoor and outdoor installations.

For accurate pricing, it is recommended to contact suppliers directly with your project specifications, as costs can vary based on tray dimensions, type, and quantity.
