Price of pre-made cable trays in South Sudan

Overview

Cost and price of cable trays in South SudanThis document provides a price list for cable trays manufactured by Manibhadra including perforated and ladder.

Key Takeaways

Pre-made cable trays in South Sudan are available from local suppliers, with prices varying by type, material, and length, typically starting from around $50–$100 per standard 2. 4-meter tray.

Local Suppliers and Options

Several suppliers in South Sudan offer pre-made cable trays: Shopit provides a range of cable trays with competitive pricing and fast delivery from genuine dealers. Brilltech Engineers Pvt. Ltd. manufactures and supplies standard and customized electrical cable trays, catering to industrial and commercial requirements.

ThePro jectEstimate.com lists hot-dip galvanized ladder-type cable trays, with prices based on a standard length of 2. 4 meters. Fittings are priced per unit.

Price Range and Factors

The cost of cable trays depends on several factors: Type of tray: Ladder, perforated, solid-bottom, or mesh trays have different prices due to material and manufacturing complexity. Material: Galvanized steel, stainless steel, or aluminum affect durability and cost. Stainless steel is more expensive but offers superior corrosion resistance.

Length and fittings: Standard trays are usually 2. 4 meters long, and additional fittings (elbows, tees, reducers) are priced separately. Indicative prices for standard pre-made trays in South Sudan generally start around $50–$100 per 2.

4-meter tray, with higher-end materials or specialized designs costing more. Bulk orders or direct manufacturer purchases may reduce unit costs.

Recommendations

Contact local suppliers like Shopit or Brilltech Engineers for exact quotes and delivery options. Specify the type, material, and length required to get accurate pricing. Consider future expansion and select trays with extra capacity to avoid frequent replacements.

By comparing suppliers and understanding material and type differences, you can select the most cost-effective and durable cable tray solution for your project in South Sudan.
