Pricing information for aluminum profile cable trays

Overview

Best Aluminum Cable Tray Pricing: A Practical Guide for 2026Overall, aluminum cable tray pricing hinges on the balance between material type, system comple.

Key Takeaways

Aluminum cable trays typically cost between $20 and $50 per meter, depending on type, size, and finish.

Price Range and Factors

Aluminum cable trays are generally more expensive than steel trays due to their lightweight, corrosion-resistant properties. The average price per meter ranges from $20 to $50, with variations based on tray type (ladder, perforated, solid-bottom), width, depth, and surface finish. Bulk orders or project-specific purchases can reduce the per-meter cost by 20–40%.

Ladder trays: $25–$50 per meter, suitable for heavy-duty industrial cabling. Perforated trays: $20–$40 per meter, ideal for general commercial use. Solid-bottom trays: $25–$45 per meter, used for shielded cable protection.

Additional costs may include accessories such as bends, T-junctions, splice plates, and grounding hardware, which can range from $2 to $50 per piece depending on size and complexity.

Supplier Options

Several suppliers offer aluminum cable trays that can be shipped to Anding: EAE Electric: Lightweight, corrosion-resistant trays suitable for indoor and outdoor use, with high load capacity and easy installation.

M

P Husky: Offers CSA-certified, UL-listed aluminum trays in various widths and depths, including ladder and solid-bottom designs.

PAC

I Inc.: Provides surplus aluminum cable trays ready for immediate shipment, including T and X configurations, with urgent delivery options. Site Pro 1: Offers straight trays, horizontal bends, and vertical risers, with fast shipping and modular components.

Cost-

Saving Tips

Order in bulk to reduce per-meter cost. Select the appropriate tray type for your load requirements to avoid over-specification. Consider bundled kits with clamps, bends, and grounding hardware to simplify installation and reduce overall cost.

Check local suppliers for shipping and import costs, as these can significantly affect the final price in Anding. Overall, for a standard aluminum profile cable tray installation in Anding, you can expect $20–$50 per meter, with additional costs for fittings and accessories depending on your project requirements.
