

Slovenian European-style cable tray manufacturer

Overview

Cable Management Cable Management Products for Any Environment Elba is the leading Slovenian manufacturer and distributor of products for electrical instal.

Key Takeaways

Bevec d.o.o., Elba d.o.o., and Brilltech Engineers are leading Slovenian manufacturers of European-style cable trays, offering a wide range of high-quality, customizable solutions. Bevec d.o.o. Bevec d.o.o. manufactures cable trays suitable for industrial facilities, road infrastructure, and transport systems.

Their trays range from 50 to 600 mm in width and 50 to 60 mm in height, and are available in galvanized, hot-dip galvanized, stainless steel, or powder-coated finishes. They provide a variety of bends, couplers, and accessories for complex installations, along with support struts, brackets, and hangers designed for demanding environments. Elba d.o.o.

Elba d.o.o. is a leading Slovenian manufacturer and distributor of electrical installation products, including cable trays. They use advanced TRUMPF laser machines and computer-guided bending machines to produce trays from stainless steel, brass, and aluminum with precise tolerances. Products can also be powder-coated for durability and aesthetics.

Elba emphasizes versatility, functionality, and quality, offering both standard and custom solutions for electrical and network installations.

Brilltech Engineers

Brilltech Engineers provides high-quality cable trays in Slovenia, including perforated and solid designs made from galvanized steel, stainless steel, and fiberglass. Their trays are designed for enhanced safety, airflow, and easy installation, suitable for both small and large projects. They also offer system design support, installation guidance, and compliance with industry standards, making them a full-service supplier for cable management solutions.

Summary

These Slovenian manufacturers provide European-style cable trays that meet industrial and commercial standards, with options for custom sizes, materials, and finishes. Bevec d.o.o. focuses on robust industrial applications, Elba d.o.o. emphasizes precision and advanced manufacturing, and Brilltech Engineers offers comprehensive support and versatile tray solutions. Choosing among them depends on project requirements, material preferences, and the level of installation support needed.
