Supply from Pakistani optical cable manufacturers

Overview

Most domestic manufacturers import fiber cores (glass) from overseas and perform the sheathing, armoring, and jacketing in Pakistan.

Key Takeaways

Pakistan hosts a range of reputable optical cable manufacturers and suppliers, including PTCL Cables, Premier Cables, Pakistan Cables Limited, Litech, and Infrasol, serving both domestic and international markets. Leading Manufacturers1. Pakistan Telephone Cables Limited (PTCL Cables) Established in 1983, PTCL Cables operates state-of-the-art facilities in Hub Chowki and Faisalabad, producing all types of optical fiber cables, copper telecom cables, HDPE pipes, and control/instrument cables.

The company has a production capacity of 10. 8 million KM per year and is ISO 9001: 2015 certified.

PTC

L Cables serves major government and private sector clients across Pakistan, offering high-quality products compliant with international standards. 2. Premier Cables (Pvt) Limited Located in Karachi, Premier Cables specializes in a wide range of fiber optic cables, including direct buried, non-metallic duct, self-supporting aerial, and ADSS cables.

Their products support long-haul, metropolitan, and FTTH networks. The company maintains ISO 9001: 2015 certification and serves major telecom operators like PTCL, Wateen, Multinet, and Cybernet. 3.

Pakistan Cables Limited Founded in 1953, Pakistan Cables is a pioneer in the local fiber optic industry. They supply loose tube cables (4 to 144 cores) and direct-buried options designed for durability and rodent resistance. The company has advanced internal testing labs and a history of collaboration with international cable companies, ensuring high technical standards.

4. Litech (LITECH brand) Litech, established in 1999, offers fiber optics, coaxial cables, and fiber optic test equipment. With in-house design and manufacturing in Faisalabad, Litech serves major telecom clients like PTCL, Wateen, and Zong, and collaborates with global operators such as Huawei and ZTE.

5. Infrasol Cables Infrasol provides a broad portfolio of copper and fiber optic cables, emphasizing superior quality and stringent quality control. The company has gained recognition in the global telecom market for reliable performance across various applications.

Other Notable Suppliers

Fast Cables Limited – Offers high-volume production with modern European machinery and automated sheathing processes. Newage Cables (Private) Limited – Produces durable optical cables for telecom and industrial applications. L.

T. Engineering (LTE Pakistan) – Supplies over 100,000 km of optical fiber cables, including FTTH/GPON solutions, aerial, duct, and buried cables. SummaryPakistan's optical cable industry combines advanced manufacturing capabilities, ISO certifications, and a strong client base in both public and private sectors.

Companies like PTCL Cables, Premier Cables, and Pakistan Cables Limited are recognized for large-scale production, while Litech, Infrasol, and LTE Pakistan provide specialized solutions for FTTH, GPON, and customized telecom projects. These manufacturers collectively support the expansion of fiber optic infrastructure across Pakistan and internationally.

Top Fiber Optic Cable Manufacturers in Pakistan

Most domestic manufacturers import fiber cores (glass) from overseas and perform the sheathing, armoring, and jacketing in Pakistan. Below

Top 5 Best Fiber Optic Cable Manufacturers in Pakistan

In this article, we delve into the crux of the industry to highlight the top 5 best fiber optic cable manufacturers in Pakistan for 2024.

Pakistan Telecom Cables Limited

© 2026 CJC FIBRE CONSULTANTS - All rights reserved

Pakistan Telecom Cables Limited (PTCL Cables) an ISO 9001:2015 certified company and manufacturing Optical Fiber Cables, Copper Telecom Cables,

Infrasol : Professional Manufacturer of Fiber Optic

Infrasol Cables is a premier company in the field of Telecommunication Cables, which offers one of widest portfolio of Copper and Fibre Optic cables under its

Pakistani Optical Fiber Cables Suppliers and Manufacturers

Our stranded loose tube design provides stable performance over a wide temperature range and is compatible with any telecommunications-grade optical fiber. Direct Buried type Fiber Optical Cables

Litech Pakistan offering Optical Fiber Cables & Telecom Cables in

Welcome to Litech Pakistan, the leading supplier of fiber optic cables, splicing machines, lithium batteries, and networking solutions in Pakistan. We provide top-quality products from global brands,

Best Optical Fiber Cables Supplier in Pakistan

We cater to diverse industry requirements by offering a wide array of optical fiber cables, including both single-mode and multi-mode fibers.

Top 5 Best Fiber Optic Cable Manufacturers in Pakistan

Ther Verdict Each of these top fiber optic cable manufacturers in Pakistan has carved out a niche for themselves by providing exceptional products and services that meet the demanding needs of

SFP,XFP,SFP+,X2,Xenpak,GBIC,Transceivers,Fiber Optic Patch Cable

Fiber Optic Pakistan the fiber optic supplier was founded in 1998, we specialize in the manufacturing of cable assemblies and fiber optic equipment, main products include fiber transceivers, SFP, SFP+,

Infrasol : Professional Manufacturer of Fiber Optic

Infrasol Pakistan Professional Manufacturer of Fiber Optic Cable Infrasol Cables is a premier company in the field of Telecommunication Cables, which offers one of

Optical Fiber Cables Wholesale Suppliers, Manufacturers

Buy premium Optical Fiber Cables in bulk from verified wholesale suppliers and manufacturers in Pakistan. Best prices, bulk discounts, trusted deals at go4WorldBusiness .

Fiber Optic Cable in Pakistan
