

What is the price of pigtail jumper wires in Belarus

Overview

Pigtail Jumper Wires are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Pigtail Jumper Wires.

Key Takeaways

Pigtail jumper wires in Belarus typically cost between \$0.10 and \$1.50 per piece, depending on length, gauge, and supplier.

Pigtail jumper wires are commonly sold by electronics distributors such as Mouser and DigiKey, with prices ranging from \$0.10 to \$0.50 per short wire (10–20 cm, 22–28 AWG) and up to \$1–\$1.50 for longer or thicker wires (16–18 AWG, 30–50 cm). These prices are in USD and may increase due to shipping fees, import duties, and VAT when ordering to Belarus.

Factors affecting price in Belarus: Wire length and gauge: Longer wires and thicker gauges cost more.

Quantity: Bulk purchases reduce the per-unit cost. Supplier and shipping: International distributors may charge additional shipping and customs fees. Local availability: Electronics stores in Belarus may mark up prices slightly compared to online international suppliers.

For reference, bulk wire and cable prices in Belarus are much higher per ton (around \$5,491 per ton for imports in 2022), but this is not directly comparable to small pigtail jumper wires. Practical tip: To minimize costs, consider ordering from European distributors like Mouser Europe, which may offer pricing in EUR and faster shipping to Belarus. In summary, expect to pay roughly \$0.

10-\$1. 50 per pigtail jumper wire in Belarus, with exact pricing depending on specifications and shipping arrangements.
