P Shine Electrical & Controls Pvt Ltd – Specializes in perforated, ladder, and wire mesh cable trays with custom solutions for power plants, IT sectors, and construction projects. They focus on high-quality materials, competitive pricing, and excellent customer support. Snake Tray – Provides aluminum and steel cable trays for data centers, solar installations, and transit projects.

Known for innovative designs that reduce installation costs and improve efficiency.

Other Notable Manufacturers

Marco Cable Tray Systems – Offers adaptable galvanized trays for complex installations. Chalfant Manufacturing – Provides innovative self-connecting and walkable tray systems with over 70 years of experience.

P

T Trias Indra Saputra and Sunil Engineering Corporation – Focus on reliable indoor and outdoor cable ladder systems and customized solutions.

Choosing the Right Manufacturer

When selecting a cable tray supplier, consider: Material and durability: Galvanized steel, stainless steel, or fiberglass depending on environmental conditions. Product variety: Ladder, perforated, wire mesh, or trough types. Customization: Ability to provide tailored solutions for specific project requirements.

Compliance and standards: ISO, EN 61537, or IEC certifications for global compatibility. Support and warranty: Extended warranties and technical support for installation and maintenance. These companies are recognized for high-quality, reliable, and innovative cable tray solutions suitable for industrial, commercial, and infrastructure projects worldwide.
